

Calling all Middle School and High School parents... Join ABC today!

The Sargent Academic Booster Club is an organization that works to encourage, support and recognize the academic achievements, successes, and competitions of the Sargent middle school and high school students as well as providing recognition and support of their amazing teachers.

We recognize students who achieve the Honor Roll each semester, we sponsor the Student of the Month program, recognize students who earn their way to state and national competitions in Science Fair, History Day, FBLA, FFA and Knowledge Bowl. We also host the Teacher Appreciation Lunch in May, provide meals for the teachers during Parent/Teacher Conferences throughout the year, and give teachers and staff appreciation gifts and lounge treats at various times throughout the year. Recognizing students who've earned Principal's and Superintendent's Honor Roll is another project we do. We purchase letter jacket patches for state and national qualifiers and NHS members. We also support funding any academic items, if requested and funds are available.

As you can tell, we do our best to give our hard-working students and staff the recognition and support they deserve. It's accomplished with monetary support, dedication, organization, and help from parents and staff.

The Academic Booster Club meets quarterly or more often, if needed, and generally keeps our meetings to an hour or less. We need parents who are willing to serve on the committee to assist in making decisions, planning, helping out when needed and/or monetary support. We would like as many parents, teachers, and staff to participate to hopefully have 6th-12th grades represented. Please consider becoming an active part of the Academic Booster Club (ABC). You can help make a positive impact on Sargent Middle school and High school students and staff!

Our first meeting will be Tuesday, August 13th at 5:30 p.m. at RG Bank in Monte Vista (enter through the back door by the drive-thru).
Please consider joining us... We would love to have you! Be on the lookout for our booth at Registration to sign up.

If you have any questions, please contact Shon Davis at 719-580-5229, Thank you for your continued support!
